IF from M1 junction 26, head along A610 until you meet the ring road. When you meet the ring road turn left.

OR from M1 junction 25 (Derby), head along A52 until you meet the ring road at the Queens Medical Centre, and then turn left on ring road.

THEN go clockwise around ring road (strict 40mph limit) until you pass a McDonalds and an Audi showroom on the right. At the next roundabout turn right towards city centre on Hucknall Road. Pass CO-OP on left. Carry straight on at the lights at the top of the hill. Just after pedestrian crossing (traffic lights above centre of road) turn right into Kelham Drive (just before yellow tool shop). Drive through new estate to find us at the back of the estate at the T-junction with Rowley Drive.

If coming from the city centre, head north on Mansfield Road (A60). At the first roundabout, carry straight on. Turn left at lights by the Grosvenor pub into Hucknall Road. Go up hill to top (Tesco Express on left) and then down other side to meet traffic lights at junction with Haydn Road. Carry straight on up hill until there is a yellow tool shop on your left just before a pedestrian crossing (traffic lights above centre of road). Turn left into Kelham Drive. Drive through new estate to find us at the back of the estate at the T-junction with Rowley Drive.

If coming by public transport catch the 15, 16, or 17 buses from Victoria Centre in the city centre going up Hucknall Road. Get off near a yellow tool shop on your left just before a pedestrian crossing (traffic lights above centre of road). Turn left into Kelham Drive. Go through new estate to find us at the back of the estate at the T-junction with Rowley Drive.
